## Landmark location. Tranquillity personified.

It's right in the heart of London, with Canary Wharf, the South Bank and the City all within easy reach. And yet, The Tower hotel is a uniquely calm and tranquil place to stay. Inspired by the slow roll of the Thames just outside, the spacious, comfortable bar, restaurants and bedrooms – 91 of which have just been redesigned to the very highest standards – will put you at ease the moment you arrive.

### Rooms & Suites

- 801 bedrooms including 18 suites and a number of Special Access rooms
- Each room has a stunning view, with landmark sights all around
- Standard rooms are welcoming, relaxing and well equipped
